1

2 WHEREAS, the Land Use and Zoning Committee, after due notice 3 held a public hearing and having duly considered both the testimonial 4 and documentary evidence presented at the public hearing, has made 5 its recommendation to the Council; and

6 WHEREAS, taking into consideration the above recommendations and 7 all other evidence entered into the record and testimony taken at the 8 public hearings, the Council has considered the criteria for sign 9 waivers pursuant to Sec. 656.113(c), *Ordinance Code*, and finds that 10 the request is in harmony with the spirit and intent of the Zoning 11 Code and should be approved; now, therefore

BE IT ORDAINED by the Council of the City of Jacksonville: 12 Sign Waiver Approved. The Council has considered 13 Section 1. the sign waiver criteria pursuant to Sec. 656.133(c), Ordinance Code, 14 15 the recommendation of the Land Use and Zoning Committee, and has reviewed the Staff Report of the Planning and Development Department 16 17 concerning sign waiver Application SW-22-01 and finds that the waiver is in harmony with the spirit and intent of the Zoning Code, 18 considering the following criteria, as applicable: 19

(1) The effect of the sign waiver is compatible with the existing contiguous signage or zoning and consistent with the general character of the area considering population, density, scale and orientation of the structures in the area;

(2) The result will not detract from the specific intent of
the Zoning Code by promoting the continued existence of nonconforming
signs that exist in the vicinity;

(3) The effect of the proposed waiver will not diminish property values in, or negatively alter the aesthetic character of the area surrounding the site, and will not substantially interfere with or injure the rights of others whose property would be affected by the same; 1 (4) The proposed waiver will not have a detrimental effect on 2 vehicular or pedestrian traffic or parking conditions, or result in 3 the creation of objectionable or excessive light, glare, shadows, or 4 other effects, taking into account existing uses and zoning in the 5 vicinity;

6 (5) The proposed waiver will not be detrimental to the public 7 health, safety or welfare, and will not result in additional public 8 expense, creation of nuisances, or cause conflict with any other 9 applicable law;

10 (6) The Subject Property exhibits specific physical 11 limitations or characteristics which are unique to the site and which 12 would make imposition of the strict letter of the regulation unduly 13 burdensome;

14 (7) The request is not based exclusively upon a desire to 15 reduce the costs associated with compliance and is the minimum 16 necessary to obtain a reasonable communication of one's message;

17 (8) If the request is the result of a violation that has existed 18 for a considerable length of time without receiving a citation, 19 whether the violation that exists is a result of construction that 20 occurred prior to the owner's acquisition of the Subject Property, 21 and not as a direct result of the actions of the current owner;

(9) The request accomplishes a compelling public interest, such as, for example, furthering the preservation of natural resources by saving a tree or trees; and

(10) Strict compliance with the regulation will create asubstantial financial burden when considering cost of compliance.

Therefore, Sign Waiver Application SW-22-01, is hereby approved. Section 2. Owner, Property and Sign Description.
