RE# 152683-0100

July 18, 2022

I. PROJECT DESCRIPTION

Applicant proposes to rezone approximately 1.71 acres of property from PUD to PUD. The site is the subject of a companion FLUM Amendment from CGC to CGC with a site specific text amendment to waive the 20% commercial requirement due to the existing commercial development in the area. The parcel is located on the east side of Dix Ellis Trail, south of Baymeadows Road.

The subject property is currently owned by Krishna Investment Properties, LLC, and is more particularly described in the legal description attached as Exhibit 1 to this application. The property is currently developed as a motel. Surrounding uses include: CGC/PUD to the north across Baymeadows Road (commercial); CGC/PUD to the west and south (commercial); and CGC/CCG-1 to the east across I-95 (commercial).

A residential density limit of 110 dwelling units per acre has been placed on this property as a result of Future Land Use Element (FLUE) Policy 1.1.10A. This density limit can only be changed through application for a rezoning (administrative and minor modifications to increase the density are not permitted) and the requirements of FLUE Policy 1.1.10A must be applied to determine the appropriateness of any increase in residential density.
