Bill Type and Number: Ordinance 2022-510

Introducer/Sponsor(s): Council President at the request of the Mayor

Date of Introduction: July 28, 2022

Committee(s) of Reference: F

Date of Analysis: July 30, 2022

Type of Action: Appropriation

Bill Summary: The bill appropriates funds in the amount of \$750,000.00 to provide funding for the City's contribution to the Jacksonville Chamber of Commerce for FY22-23.

Background Information: The purpose of the appropriation is to provide funding from the City to the Jacksonville Chamber of Commerce to be used exclusively for the following: advertising, target industry marketing to brand our region's key sub-clusters and outreach to site selectors and corporate decision makers. The annual Chamber membership fee is ordinarily budgeted in the City's annual budget ordinance in a dues and memberships line item. However, because of the conflict of interest posed by his employment with the Chamber of Commerce, a council member would have had to abstain from voting on the budget on this item which was funded therein. It was decided to put the annual membership appropriation into a separate ordinance from which the council member can abstain from voting while voting on the rest of the budget separately.

Policy Impact Area: Annual Jacksonville Chamber of Commerce contribution; voting conflict of interest

Fiscal Impact: Appropriation of \$750,000 to the Chamber of Commerce
