9 paramount public purpose; and

10 **WHEREAS**, the OED has reviewed the application submitted by the  
11 Company for community development; and, together with representatives  
12 of the City, negotiated the Agreement. Accordingly, based upon the  
13 contents of the Agreement, it has been determined that the Agreement  
14 and the uses contemplated therein to be in the public interest, and  
15 that the public actions and financial assistance contemplated in the  
16 Agreement take into account and give consideration to the long-term  
17 public interests and public interest benefits to be achieved by the  
18 City; and

19 **WHEREAS**, the Company has requested the City to enter into an  
20 agreement in substantially the form placed **On File** with the Office

22 **BE IT RESOLVED** by the Council of the City of Jacksonville:

23 **Section 1. Findings.** It is hereby ascertained, determined,  
24 found and declared as follows:

25 (a) The recitals set forth herein are true and correct.

26 (b) The location of the Company's Project in Jacksonville,  
27 Florida, is more particularly described in the Agreement. The Project  
28 will promote and further the public and municipal purposes of the  
29 City.

30 (c) Enhancement of the City's tax base and revenues, are matters  
31 of State and City policy and State and City concern in order that the

1 State and its counties and municipalities, including the City, shall  
2 not continue to be endangered by unemployment, underemployment,  
3 economic recession, poverty, crime and disease, and consume an  
4 excessive proportion of the State and City revenues because of the  
5 extra services required for police, fire, accident, health care,  
6 elderly care, charity care, hospitalization, public housing and  
7 housing assistance, and other forms of public protection, services  
8 and facilities.

9 (d) The provision of the City's assistance as identified in the  
10 Agreement is necessary and appropriate to make the Project feasible;  
11 and the City's assistance is reasonable and not excessive, taking  
12 into account the needs of the Company to make the Project economically  
13 and financially feasible, and the extent of the public benefits  
14 expected to be derived from the Project, and taking into account all  
15 other forms of assistance available.

16 (e) The Company is qualified to carry out and complete the  
17 construction and equipping of the Project, in accordance with the  
18 Agreement.

19 (f) The authorizations provided by this Resolution are for  
20 public uses and purposes for which the City may use its powers as a  
21 county, municipality and as a political subdivision of the State of  
22 Florida and may expend public funds, and the necessity in the public  
23 interest for the provisions herein enacted is hereby declared as a  
24 matter of legislative determination.

25 (g) This Resolution is adopted pursuant to the provisions of  
26 Chapters 163, 166 and 125, Florida Statutes, as amended, the City's  
27 Charter, and other applicable provisions of law.

30 liability, or obligation of the City or of the State of Florida or  
31 any political subdivision thereof within the meaning of any

1 constitutional or statutory limitation, or a pledge of the faith and  
2 credit or taxing power of the City or of the State of Florida or any  
3 constitutional or any political subdivision thereof but shall be  
4 payable solely from the funds provided therefor as provided in this  
5 Section. The Agreement shall contain a statement of the effect that  
6 the City shall not be obligated to pay any installment of its  
7 financial assistance to the Company except from the non-ad valorem  
8 revenues or other legally available funds provided for that purpose,  
9 that neither the faith and credit nor the taxing power of the City
