I. Design

Design and color scheme of the storage facility shall be conceptual as shown on the elevations attached hereto.

J. Security

As part of any security camera system installed, a security camera shall be placed at the entry gate off Bonaparte Landing Boulevard.

VI. DEVELOPMENT PLAN APPROVAL

With each request for verification of substantial compliance with this PUD, a preliminary development plan shall be submitted to the City of Jacksonville Planning and Development Department identifying all then existing and proposed uses within the Property, and showing the general layout of the overall Property.

VII. STATEMENTS

A. How does the proposed PUD differ from the usual application of the Zoning Code?

The PUD provides for less intense uses than the CGC land use category allows.

B. Describe the intent for the continued operation and maintenance of those areas and functions described herein and facilities which are not to be provided, operated or maintained by the City.

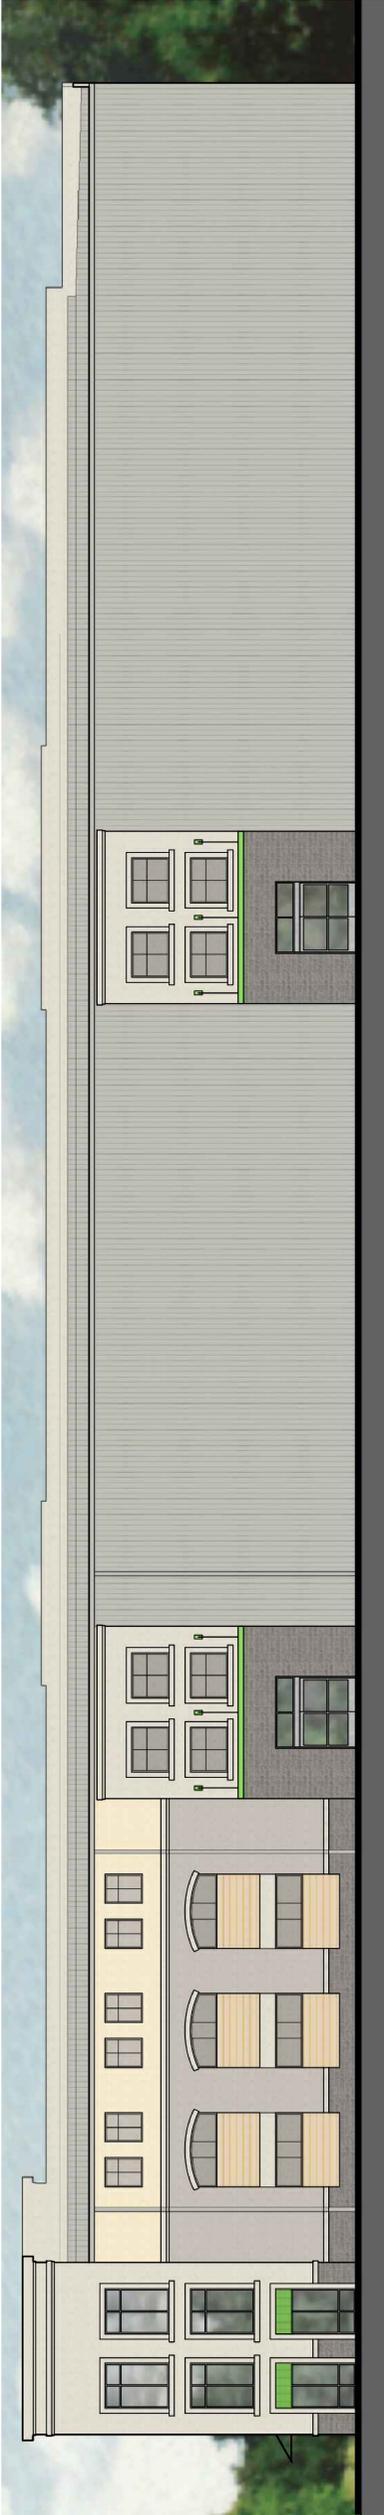

The facilities will be operated and maintained by the owner.

VIII. JUSTIFICATION FOR PLANNED UNIT DEVELOPMENT CLASSIFICATION FOR THIS PROJECT

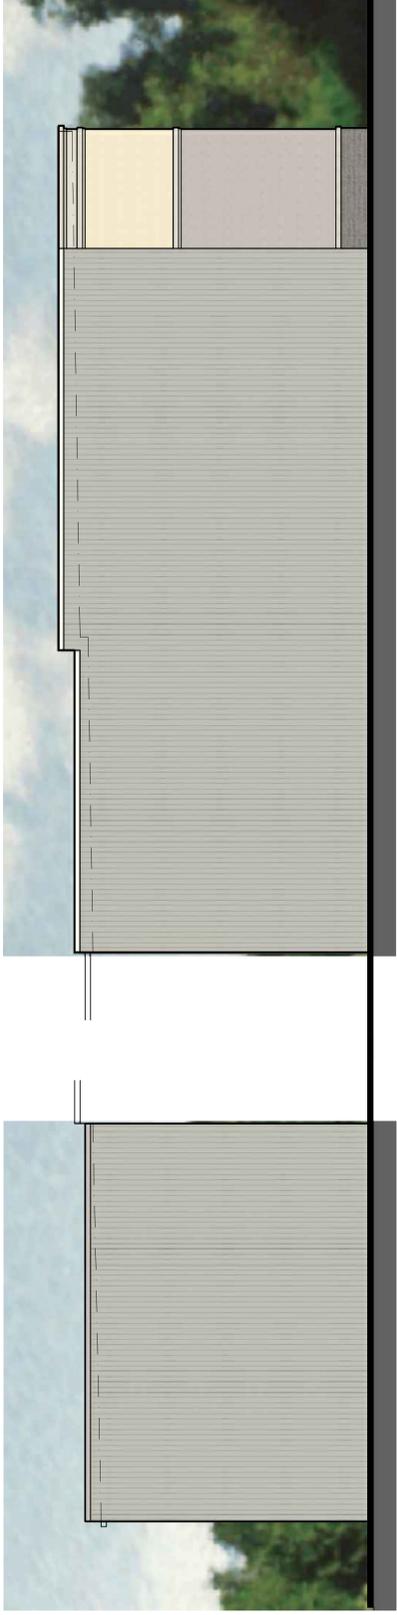

The proposed project is consistent with the general purpose and intent of the City of Jacksonville 2030 Comprehensive Plan and Land Use Regulations. The proposed project will be beneficial to the surrounding neighborhood and community, as the use is allowable in the land use category.

A. Is more efficient than would be possible through strict application of the Zoning Code, as the PUD places limitations on the allowable uses in the land use category;

B. Is compatible with surrounding land uses which are similar uses or supporting uses, or buffered from incompatible uses by substantial wetlands;
