6 See B.T. 23-118 \$411,625.25

7 (c) Explanation of Appropriation

8 The funding above is a grant from the Federal Emergency
9 Management Agency, funded through the Hazard Mitigation
10 Grant Program and approved by the Florida Division of
11 Emergency Management for the purchase and installation of
12 a permanent generator at the Department of Health Building.

13 **Section 2. Purpose.** The purpose of the appropriation in
14 Section 1 is to provide funding for the purchase and installation of
15 a permanent generator at the Department of Health Building located
16 at 515 West 6th Street, within Council District 7. The purchase and
17 installation of a permanent generator will reduce and/or mitigate the
18 damage that might occur as the result of severe weather or other
19 hazards. The City match requirements have been met.

20 **Section 3. Approval and authorization.** There is hereby
21 approved, and the Mayor, or her designee, and the Corporation
22 Secretary are hereby authorized to execute and deliver, for and on
23 behalf of the City, the Modification to Subgrant Agreement, Contract
24 Number H0337, Modification Number Four, between the City of
25 Jacksonville and the Florida Division of Emergency Management,
26 substantially in the form placed **On File** with the Legislative Services
27 Division.

28 **Section 4. Oversight.** The Public Buildings Division of
29 the Department of Public Works shall oversee the project described
30 herein.

31 **Section 5. CIP Amendment.** Ordinance 2022-505-E, being the

1 2022-2027 Five-Year Capital Improvement Program for the City and
2 certain of its independent agencies, is hereby amended to add
3 additional funding for the project entitled "Department of Health
4 Generator Replacement." The project is more fully described in the
5 Project Information Sheet, attached hereto as **Exhibit 2**, and
6 incorporated herein by this reference. The Council finds that the
7 deferral of this amendment of the CIP until the next annual budget
8 and CIP review will be detrimental to the best interests of the
9 community because such deferral will result in the City's loss of
10 needed grant dollars. Pursuant to Section 122.605(c), *Ordinance Code*,
11 enactment of this ordinance requires the affirmative vote of two-
12 thirds of the Council members present at the meeting because of the
13 CIP amendment set forth in this section. This ordinance shall
14 constitute an amendment to Ordinance 2022-505-E. In all other
15 respects, the Five-Year Capital Improvement Program approved by
16 Ordinance 2022-505-E shall continue in full force and effect.

17 **Section 6. Effective Date.** This ordinance shall become
18 effective upon signature by the Mayor or upon becoming effective
19 without the Mayor's signature.
