DOWNTOWN HISTORIC PRESERVATION AND REVITALIZATION PROGRAM

4.1 Downtown Preservation and Revitalization Program Loans.

Pursuant to Section 55.303, *Ordinance Code*, the DIA is authorized to award applicants DPRP Loans, subject to City Council approval. Developer has applied with the Historic Preservation Section of the Planning and Development Department (the “Historic Preservation Section”) and the DIA for DPRP Loans as set forth in this Agreement and has been approved for the DPRP Loans listed below subject to the conditions as set forth in this Agreement. The DPRP Loans, as to the Building, are subject to the scope of work set forth in the COA and any conditions contained therein (the “COA Conditions” and together with any other conditions imposed by the DIA, DDRB and/or other City departments, the “Conditions”).

Historic Preservation, Restoration, and Rehabilitation Forgivable Loan (HPRR)	Code Compliance Forgivable Loan (CCR)	DPRP Deferred Principal Loan	TOTAL
\$1,948,800	\$2,027,100	\$994,000	\$4,969,900

4.2 Total Development Costs; Minimum Expenditures.

In order to be eligible for the maximum amount of the DPRP Loans, prior to the DPRP Loan closing, the Developer must provide evidence and documentation, sufficient to demonstrate to the DIA in its sole but reasonable discretion, the following: (i) a total equity capital contribution of at least TWO MILLION FIVE HUNDRED THIRTY-ONE THOUSAND EIGHT HUNDRED AND NO/100 DOLLARS (\$2,531,800.00) (the “Required Equity”); (ii) Total Development Costs incurred of at least SIXTEEN MILLION EIGHT HUNDRED SEVENTY-EIGHT THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$16,878,500.00) (the “Minimum Total Development Costs”); (iii) Eligible Construction Costs incurred of at least SEVEN MILLION FIVE HUNDRED FIFTY-SEVEN THOUSAND AND NO/100 DOLLARS (\$7,557,000.00) (Total Budget Amount less Additional Budget Amount) (the “Minimum Construction Costs”), and (iv) Eligible Construction Costs incurred of at least the Funding Category Minimum with respect to each respective Funding Category.

In addition, the required Minimum Construction Costs may be reduced by a maximum of ten percent (10%) by the DIA staff in their sole and absolute discretion.

Notwithstanding the foregoing, any Funding Category Minimum may be reduced by a maximum of ten percent (10%) on a standalone basis by the DIA staff in their sole and absolute discretion; provided that, in such event there shall be a pro rata reduction in each of the related DPRP Loans. Eligibility for funding under any Funding Category shall be eliminated if Eligible Construction Costs expended in meeting the corresponding Funding Category Minimum are reduced by more than ten percent (10%). In addition, in the event that the DIA staff or the Historic Preservation Section of the City of Jacksonville's Planning and Development Department ("HPS") staff determine, in their sole and absolute discretion, that material components of the rehabilitation have not been met with respect to any Funding Category, eligibility for funding under such line item in the Funding Category may be eliminated by the DIA in its sole discretion.

In addition to the foregoing, within any Funding Category, Developer may not reallocate more than 25% of the proposed funding amount for any line item in the Budget to a different line item without prior approval from the DIA and such reallocation shall not modify the related Funding Category Minimum. In addition, the elimination of a line item from the Budget shall eliminate any funding associated with that line item and such funds may not be reallocated to any other line item without the prior approval from the DIA which approval may be given or withheld in DIA's sole and absolute discretion.

The DIA Board shall have the authority, without further action by City Council, to approve reduced DPRP Loan amounts provided the Total Development Costs incurred are not less than FIFTEEN MILLION ONE HUNDRED NINETY THOUSAND SIX HUNDRED FIFTY AND NO/100 DOLLARS (\$15,190,650.00), including Construction Costs incurred of not less than SIX MILLION EIGHT HUNDRED ONE THOUSAND THREE HUNDRED AND NO/100 DOLLARS (\$6,801,300.00).

The Developer will pay all costs of the Project and Improvements. The Developer shall comply with all requirements of this Agreement and the DPRP Guidelines. The Plans and Specifications shall not be materially modified without the prior written approval of the CEO.

4.4 Disbursement Request.

After Substantial Completion of the Project, the Developer shall submit to the DIA a completed written disbursement request (the "Disbursement Request") with respect to the

The Disbursement Request shall constitute a representation and warranty by the Developer to the DIA that (a) the work performed and the materials supplied are in accordance with the terms of this Agreement and COA, the Conditions, the Plans and Specifications, and the scope of work as set forth herein for the Improvements, (b) the work and materials for which payment is requested have been physically incorporated into the Project, (c) the value is as stated, (d) the work and materials conform with all applicable rules and regulations of the public authorities having jurisdiction, (e) payment for the items described in such Disbursement Request has been made by the Developer, (f) such Disbursement Request is consistent with this Agreement, and (g) no default or event which, with the giving of notice or the passage of time, or both, would constitute a default has occurred and is continuing.

4.5 Conditions to Disbursement of DPRP Loans.

(b) Additional Conditions. In addition to the conditions precedent set forth in Section 1.5, above, the DIA's obligation to disburse any portion of a DPRP Loan to the Developer is conditioned upon the prior occurrence of each of the following conditions precedent with respect to each Loan, and otherwise in accordance with the terms of this Agreement:

(vii) The Developer shall submit to the DIA with respect to the Improvements, a proper contractor's final affidavit and full and complete releases of liens from the general contractor and each contractor, subcontractor and supplier that delivered a notice to owner or contractor, and such other proof satisfactory to the DIA in its reasonable discretion, confirming that final payment has been made for all materials supplied and labor furnished in connection with the Project or that, in the event of a dispute in any amount owed, such amount is properly bonded off pursuant to Florida law so that it will not become a lien on the Project Parcel;

If any such lien or encumbrance is filed, the DIA shall have received a copy of the recorded release. The DIA shall not be obligated to disburse any of the DPRP Loan funds to the Developer if, in the reasonable opinion of the DIA, any such disbursement or the Project or Project Parcel would be subject to a mechanic's or materialmen's lien or any other lien or encumbrance other than inchoate construction liens. The Developer shall be fully and solely responsible for compliance in all respects whatsoever with the applicable mechanic's and materialmen's lien laws;

(xii) The Developer shall have provided to the DIA, in form and substance reasonably satisfactory to the DIA, any such other document, instrument, information, agreement or certificate the DIA may reasonably require related to the construction or completion of the Improvements, and all Loan Documents shall have been executed and delivered by the Developer; and

Except as otherwise set forth in this Agreement, the Developer shall pay the cost of constructing and developing the Improvements at no cost to the DIA.

6.3 Approval by Other Governmental Agencies.

All of the parties' respective rights and obligations under this Agreement are subject to and conditioned upon approval of the Project and all Project Documents by such other governmental agencies, whether state, local or federal, as have jurisdiction and may be required or entitled to approve them. Notwithstanding any provision of this Agreement to the contrary, the DIA does not guarantee approval of this Agreement or any aspect of the Project by any government authorities and agencies that are independent of the DIA.

6.4 Authority of DIA to Monitor Compliance.

During all periods of design and construction, the Project Coordinator or his or her designee shall have the authority to monitor compliance by the Developer with the provisions of this Agreement and the Project Documents. Insofar as practicable, the Project Coordinator shall coordinate such monitoring and supervising activity with those undertaken by the City so as to minimize duplicate activity. To that end, during the period of construction and with a minimum of twenty-four (24) hours' prior written notice to the Developer, representatives of the City and Project Coordinator or his or her designee shall have the right of access to the Project Parcel and to every structure on the Project Parcel during normal construction hours.

6.5 Timing of Completion.

The Improvements shall be completed substantially in accordance with the terms of this Agreement and the Performance Schedule.

6.6 Construction and Operation Management.

Except as otherwise expressly provided herein, the Developer shall have discretion and control, free from interference, interruption or disturbance, in all matters relating to the management, development, redevelopment, construction and operation of the Project, provided that the same shall, in any event, conform to and comply with the terms and conditions of this Agreement, and all applicable state and local laws, ordinances and regulations (including without limitation, applicable zoning, subdivision, building and fire codes). The Developer's discretion, control and authority with respect thereto shall include, without limitation, the following matters:

- (a) the construction and design of the Project, subject to the express terms and conditions of this Agreement;
- (b) the selection, approval, hiring and discharge of engineers, architects, contractors, subcontractors, professionals and other third parties (collectively, the "Vendors") on such terms and conditions as the Developer deems appropriate;
- (c) the negotiation and execution of contracts, agreements, easements and other documents with third parties, in form and substance satisfactory to Developer; and
- (d) the preparation of such budgets, cost estimates, financial projections, statements, information, and reports as the Developer deems appropriate.

**Article 7.
JSEB PROGRAM**

7.1 Jacksonville Small and Emerging Businesses (JSEB) Program.

The Developer, in further recognition of and consideration for the public funds provided to assist the Developer pursuant to this Agreement, hereby acknowledges the importance of

affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services. Therefore, the Developer hereby agrees as follows:

- (a) The Developer shall obtain from the City's Procurement Division the list of certified Jacksonville Small and Emerging Businesses ("JSEB"), and shall exercise good faith, in accordance with Sections 126.608 et seq., *Ordinance Code*, to enter into contracts with City certified JSEBs to provide materials or services in an aggregate amount of not less than twenty percent (20%) of the DIA's maximum potential contribution to the Project as requested from time to time with respect to the development activities or operations of the Project over the term of this Agreement; and
- (b) The Developer shall submit JSEB report(s) regarding the Developer's actual use of City certified JSEBs on the Project, (i) on the date of any request for DIA funds which are payable prior to the Completion of Construction, (ii) upon Completion of Construction. The form of the report to be used for the purposes of this section is attached hereto as Exhibit C (the "JSEB REPORTING FORM").

Article 8.

LOAN PERIOD; REPORTING; SITE VISITS

8.1 Taxes.

All property, business, and income taxes must be maintained in current status (subject to extensions permitted pursuant to applicable law) throughout the term of this Agreement, and until all outstanding obligations with respect to each of the DPRP Loans have been paid in full or forgiven, as applicable (the "DPRP Loan Period").

8.2 Reporting.

Developer will provide the DIA with copies of inspection reports, funding requests, updated construction budgets, and supporting documentation as may be provided to the construction lender on a periodic basis, but not less than quarterly, throughout the construction period. DIA acknowledges that sharing of this information does not establish the right to approve or disapprove of any funding request made by the Developer and its construction lender.

On an annual basis, and prior to March 1 each year this Agreement is in effect, the Developer shall submit reports to the DIA regarding all activities affecting the implementation of this Agreement, including a narrative summary of progress on the Project. Developer shall also submit to the DIA its notice of ad valorem taxes paid with respect to the Project Parcel contemporaneously with such payment.

The Developer's obligation to submit such reports shall continue until the Developer has complied with all of the terms of this Agreement concerning the construction and Substantial Completion of the Project and during the term of each outstanding DPRP Loan. Within thirty (30) days following the receipt of a request of the DIA, the Developer shall provide the DIA with additional information reasonably requested by the DIA.

8.3 Site Visits.

After Substantial Completion and for so long as City or DIA has any payment obligations to Developer pursuant to this Agreement, Developer shall permit representatives from the City and DIA and other designated City/DIA personnel, to monitor compliance by Developer with the provisions of this Agreement. Once per calendar year, with a minimum twenty-four (24) hours' prior notice to Developer, the Project Coordinator, or his or her designee, shall have the right to tour non-public portions of the Project and access Developer's relevant business records related to the Project and this Agreement, during normal business hours, provided, however, that Developer shall have the right to have a representative of Developer present during any such inspection. Public portions of the Project, such as restaurants and retail spaces open to the public, may be visited without notice during normal operating hours of the respective businesses.

8.4 Transfer or Refinance During DPRP Loan Period.

DIA reserves the right in its discretion to approve any sale or disposition or change in controlling interest of the ownership entity of the Building or the Project Parcel during the DPRP Loan Period. If DIA fails to respond to a request for approval of a sale or disposition or change in ownership within twenty (20) business days, DIA shall be deemed to have waived such approval right. DIA further reserves the right to approve any refinance of the senior debt during the DPRP Compliance Period.

8.5 Change in Use During DPRP Loan Period.

In the event the Developer or any lessee, transferee or assignee of the Developer proposes to change the use of the Project or Building from that use previously approved by the DIA, then at least ninety (90) days prior to such proposed change, the Developer shall obtain written consent of the DIA for such change, which consent shall not be unreasonably withheld provided that such change is consistent with all requirements necessary for a property with local historic landmark status, the DPRP Guidelines and contributes towards the relevant Redevelopment Goals and Performance Measures set forth in the Business Investment and Development Plan of the DIA.

Article 9. DEFAULTS AND REMEDIES

9.1 General.

A default shall consist of the breach of any covenant, agreement, representation, provision, or warranty contained in (i) this Agreement (including, but not limited to, any failure to meet the reporting requirements described herein, subject to the notice and cure period contained below), (ii) any documents executed by Developer in connection with this Agreement, (iii) any document provided to the DIA in connection with the underwriting and approval of the Project, (iv) any of the Loan Documents (collectively, the "Project Documents"), or (v) a default of the Developer under any other agreement or transaction between the Developer and the City of Jacksonville or the DIA. A default shall also exist if any event occurs or information becomes known which, in the reasonable judgment of the DIA, makes untrue, incorrect or misleading in

any material respect any statement or information contained in any of the documents described in clauses (i) – (iv) above or causes such document to contain an untrue, incorrect or misleading statement of material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

If any such default or breach occurs under this Agreement, the DIA may refuse to disburse any further funds under this Agreement, including pursuant to any DPRP Loan and additionally, subject to the provisions of a subordination agreement entered into by the DIA (the form and substance of which shall be satisfactory to the DIA in its sole but reasonable discretion and materially consistent with the DIA's underwriting of the DPRP Loans), may at any time or from time to time proceed to protect and enforce all rights available to the DIA under this Agreement by suit in equity, action at law or by any other appropriate proceeding whether for specific performance of any covenant or agreement contained in this Agreement, or damages, or other relief, or proceed to take any action authorized or permitted under applicable laws or regulations, including, but not limited to, terminating this Agreement and declaring all outstanding amounts under the Loan Documents immediately due and payable. The DIA shall not act upon a default until it has given the Developer written notice of the default and fifteen (15) business days within which to cure the default; provided, however, that the DIA may withhold any and all funds, including pursuant to any DPRP Loan immediately upon the occurrence of a default and throughout any notice or cure period. However, if any default cannot reasonably be cured within the initial fifteen (15) business days, Developer's time to cure the default shall be extended during such time that Developer is diligently pursuing such cure provided that such time period shall not exceed ninety (90) days, so long as Developer has commenced and is diligently proceeding to cure such default within the initial fifteen (15) business day period.

Notwithstanding the foregoing, Developer shall immediately and automatically be in default, and the DIA shall not be required to give Developer any notice or opportunity to cure such default (and thus the DIA, subject to the provisions of a subordination agreement entered into by the DIA (the form and substance of which shall be satisfactory to the DIA in its sole but reasonable discretion and materially consistent with the DIA's underwriting of the DPRP Loans), shall immediately be entitled to act upon such default), upon the occurrence of any of the following:

- (a) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Developer a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Developer under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Developer or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days;
- (b) The institution by Developer of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent

seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Developer or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due;

- (c) Payment defaults, or other defaults that trigger legal actions against the Applicant that endanger the lien position of the City, shall also be a default on the subject facilities provided that such defaults are not cured within ten (10) days; and
- (d) Payment defaults, bankruptcy filings, or other material defaults during the DPRP Loan Period (subject in each case to any grace periods or notice and cure periods provided in this Agreement or any Project Documents) will trigger the right for the City of Jacksonville to accelerate all amounts funded and outstanding under any or all programs at such time plus a 20% penalty of any amounts amortized or prepaid prior to that date.

9.2 Specific Defaults.

Additionally, for any of the specific events of default described in this Section 9.2 below, the parties agree that the DIA's damages recoverable from the Developer shall include, but not be limited to, the following:

- (a) In the event reporting requirements are not met in the time period specified in this Agreement, and such failure is not cured within thirty (30) days of the date such report is required to be submitted, the DIA will be entitled to withhold all further disbursements for any DPRP Loan and all amortization or forgiveness on any outstanding DPRP Loans will cease until all required reports are submitted;
- (b) In the event all property, business, and income taxes are not timely paid by the Developer throughout the term of this Agreement, and through all DPRP Loan Periods, the DIA will be entitled to withhold all further disbursements for any DPRP Loan and all amortization or forgiveness on any outstanding DPRP Loans will cease until all taxes are brought current;
- (c) In the event the Developer restructures its ownership interest in the Developer entity, sells, refinances the Project Parcel, or any portion thereof, in such a way as to remove any equity injected prior to closing as required in Section 4.2, or otherwise transfers (including, without limitation, any capital lease) any portion of the Building, the Project Parcel or any interest in the Developer entity (collectively, the "Sale") during the five (5) year period immediately following the date of disbursement of the DPRP Loans (the "Disbursement Date"), the Developer shall pay to the DIA at closing of the Sale all or a portion, as applicable, of the total amount of funds disbursed under each HPRR Loan and CCR Loan as follows:

- (i) one hundred percent (100%) of the funds actually disbursed to Developer as part of any HPRR Loan or CCR Loan if the Sale occurs on or before the one (1) year anniversary of the Disbursement Date;
- (ii) eighty percent (80%) of the funds actually disbursed to Developer as part of any HPRR Loan or CCR Loan if the Sale occurs on or before the two (2) year anniversary of the Disbursement Date but after the one (1) year anniversary of the Disbursement Date;
- (iii) sixty percent (60%) of the funds actually disbursed to Developer as part of any HPRR Loan or CCR Loan if the Sale occurs on or before the three (3) year anniversary of the Disbursement Date but after the two (2) year anniversary of the Disbursement Date;
- (iv) forty percent (40%) of the funds actually disbursed to Developer as part of any HPRR Loan or CCR Loan if the Sale occurs on or before the four (4) year anniversary of the Disbursement Date but after the three (3) year anniversary of the Disbursement Date; and
- (v) twenty percent (20%) of the funds actually disbursed to Developer as part of any HPRR Loan or CCR Loan if the Sale occurs on or before the five (5) year anniversary of the Disbursement Date but after the four (4) year anniversary of the Disbursement Date.

In addition to the foregoing, in the event of a Sale on or before the ten (10) year anniversary of the Disbursement Date, the Developer shall pay to the DIA at closing of the Sale one hundred percent (100%) of the funds actually disbursed to Developer as a Deferred Principal Loan, plus any unpaid interest accrued thereon.

In addition, if such Sale involves only a portion of the Project Parcel, all DPRP Loans outstanding with respect to the remainder of the Project Parcel may, in DIA's discretion, become immediately due and payable and all amortization will cease on any outstanding DPRP Loans.

Because Developer intends to rehabilitate the historic Building in a manner that qualifies for the historic rehabilitation tax credit allowed for qualified rehabilitation expenditures incurred in connection with the "certified rehabilitation" of a "certified historic structure" (the "Historic Tax Credits") pursuant to Sections 47 and 50 of the Internal Revenue Code of 1986, as amended from time to time, DIA acknowledges that it will not withhold its consent to a tax credit investor (the "Investor") (i) entering the ownership structure as a limited partner or member of the Building owner entity in an amount up to 99.99% ownership for structural purposes, provided that equity contributed by the Developer is not reduced and the Developer has a minority ownership interest and is the general partner or otherwise controls the Building owner entity, or (ii) obtaining a minority interest in the Building owner entity as a tenant under a

master lease structure, provided that an entity controlled by the Developer must have majority ownership and controlling interest in the Building owner entity. Notwithstanding anything herein to the contrary, the Developer must be the surviving entity and majority owner of the Building following exercise of the put option of the Investor at the end of the five-year Historic Tax Credits compliance period or other exit of the Investor from the investment structure.

- (d) In the event the Developer or any lessee, transferee or assignee of the Developer uses the Project or Building for any use not contemplated by this Agreement or the DPRP Guidelines at any time on or before the fifth (5th) anniversary of the last date of any disbursement of funds to the Developer, such use has not been approved by the DIA Board, and such use continues for thirty (30) days after written notice from DIA to Developer of such violation, the full amount of the Disbursed Funds, together with all accrued but unpaid interest thereon, shall immediately become due and payable to the DIA by the Developer. However, if any unapproved use was not authorized or permitted by Developer or its agents and cannot reasonably be cured within the initial thirty (30) days, Developer's time to cure the default shall be extended during such time that Developer is diligently pursuing such cure, so long as Developer has commenced and is diligently proceeding to cure unapproved use within the initial thirty (30) day period;
- (e) The maximum combined repayment due under this Section 9.2 shall not exceed the total amount of the Disbursed Funds actually paid to the Developer under this Agreement, together with all accrued but unpaid interest thereon. The term "Disbursed Funds" shall mean all funds disbursed under all and any DPRP Loan.

9.3 Performance Schedule Default.

Notwithstanding anything in this Agreement to the contrary, in the event that the Developer fails to Commence and Substantially Complete the Improvements in accordance with the Performance Schedule, the Developer shall be deemed to have forfeited and waived its right to, and the DIA shall not be obligated to pay, any further amounts under this Agreement or any DPRP Loan.

Article 10. GENERAL PROVISIONS

10.1 Non-liability of DIA Officials.

No member, official or employee of the DIA shall be personally liable to the Developer or to any person with whom the Developer shall have entered into any contract, or to any other person, in the event of any default or breach by the DIA, or for any amount which may become due to the Developer or any other Person under the terms of this Agreement.

10.2 Force Majeure.

No party to this Agreement shall be deemed in default hereunder where such a default is based on a delay in performance as a result of war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, casualty, acts of God, acts of public enemy, epidemic, quarantine restrictions, freight embargo, shortage of labor or materials, interruption of utilities service, lack of transportation, severe weather and other acts or failures beyond the control or without the control of any party (each, a "Force Majeure Event"); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall not exceed the actual period of such delay and shall be proximately caused by such Force Majeure Event, and in no event shall any of the foregoing excuse any financial liability of a party.

In the event of any delay or nonperformance resulting from such causes, the party affected shall notify the other in writing within fifteen (15) calendar days of the Force Majeure Event. Such written notice shall describe the nature, cause, date of commencement, and the anticipated impact of such delay or nonperformance, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected, and shall describe the actions reasonably taken to minimize the impact thereof.

10.3 Offset.

DIA shall have the right to offset any amount owed by Developer under or in connection with this Agreement against any payments owed by DIA under this Agreement. Such offsets shall be in addition to any other rights or remedies available under this Agreement and applicable law.

10.4 Notices.

All notices to be given hereunder shall be in writing and personally delivered or sent by registered or certified mail, return receipt requested, or delivered by an air courier service utilizing return receipts to the parties at the following addresses (or to such other or further addresses as the parties may designate by like notice similarly sent) and such notices shall be deemed given and received for all purposes under this Agreement three (3) business days after the date same are deposited in the United States mail if sent by registered or certified mail, or the date actually received if sent by personal delivery or air courier service, except that notice of a change in address shall be effective only upon receipt.

10.5 Time.

Time is of the essence in the performance by any party of its obligations hereunder.

10.6 Entire Agreement.

This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

10.7 Amendment.

This Agreement may be amended by the parties hereto only upon the execution of a written amendment or modification signed by the parties. Notwithstanding the foregoing, the Chief Executive Officer of the DIA is authorized on behalf of the DIA to approve, in his or her sole discretion, any “technical” changes to this Agreement. Such “technical” changes include without limitation non-material modifications to legal descriptions and surveys, ingress and egress, easements and rights of way, and design standards, as long as such modifications do not involve any increased financial obligation or liability to the DIA.

10.8 Waivers.

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in

insisting upon strict performance of the provisions hereof or asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by any other party.

10.9 Indemnification.

The Developer shall indemnify, hold harmless and defend the DIA from and against, without limitation, any loss, claim, suit, action, damage, injury, liability, fine, penalty, cost, and expense of whatsoever kind or nature (including without limitation court, investigation and defense costs and reasonable expert and attorneys' fees and costs) related to any suits and actions of any kind brought against the DIA or other damages or losses incurred or sustained, or claimed to have been incurred or sustained, by any person or persons arising out of or in connection with: (i) any breach of any representation or warranty of the Developer contained or provided in connection with this Agreement; (ii) any breach or violation of any covenant or other obligation or duty of the Developer under this Agreement or under applicable law; (iii) any negligent act, error or omission, recklessness or intentionally wrongful conduct on the part of the Developer or those under its control that causes injury (whether mental or corporeal) to persons (including death) or damage to property, whether arising out of or incidental to the Developer's performance under this Agreement or relating to the Project, except to the extent caused by the sole negligence of the DIA. Nothing contained in this paragraph shall be construed as a waiver, expansion or alteration of the DIA's sovereign immunity beyond the limitations stated in Section 768.28, Florida Statutes.

This indemnification shall survive the expiration or termination (for any reason) of this Agreement and remain in full force and effect. The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by any insurance provided pursuant to this Agreement or otherwise. The term "DIA" as used in this Section 10.9 shall include all DIA's members, officers, officials, employees and agents.

10.10 Severability.

The invalidity, illegality or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

10.11 Compliance with State and Other Laws.

In the performance of this Agreement, the Developer must comply with any and all applicable federal, state and local laws, rules and regulations, as the same exist and may be amended from time to time. Such laws, rules and regulations include, but are not limited to, Chapter 119, Florida Statutes (the Public Records Act) and Section 286.011, Florida Statutes (the Florida Sunshine Law). If any of the obligations of this Agreement are to be performed by a

subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

10.12 Non-Discrimination Provisions.

In conformity with the requirements of Section 126.404, *Ordinance Code*, the Developer represents that it has adopted and will maintain a policy of non-discrimination against employees or applicants for employment on account of race, religion, sex, color, national origin, age or handicap, in all areas of employment relations, throughout the term of this Agreement. The Developer agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Human Rights Commission, or successor agency or commission, for the purpose of investigation to ascertain compliance with the nondiscrimination provisions of Chapter 126, Part 4 of the *Ordinance Code*, provided however, that the Developer shall not be required to produce for inspection records covering periods of time more than one (1) year prior to the day and year first above written. The Developer agrees that, if any of its obligations to be provided pursuant to this Agreement are to be performed by a subcontractor, the provisions of this Section 10.12 shall be incorporated into and become a part of the subcontract.

10.13 Contingent Fees Prohibited.

In conformity with Section 126.306, *Ordinance Code*, the Developer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Developer, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Developer, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For the breach or violation of these provisions, the DIA shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

10.14 Ethics.

The Developer represents that it has reviewed the provisions of the Jacksonville Ethics Code, as codified in Chapter 602, *Ordinance Code*, and the provisions of the Jacksonville Purchasing Code, as codified in Chapter 126, *Ordinance Code*.

10.15 Conflict of Interest.

The parties will follow the provisions of Section 126.110, *Ordinance Code*, with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with the DIA, to the extent the parties are aware of the same.

10.16 Non-Foreign Entity.

The Developer represents, warrants and certifies that, the Developer is not owned or controlled by the government of a foreign country of concern as defined in Section 288.0071,

Florida Statutes, and the Developer is not an entity that is a partnership, association, corporation, organization, or other combination of persons organized under the laws of or having its principal place of business in a foreign country of concern, or a subsidiary of such entity.

10.17 Public Entity Crimes Notice.

In conformity with the requirements of Section 126.104, *Ordinance Code*, and Section 287.133, Florida Statutes, the Parties agree as follows:

The parties are aware and understand that a person or affiliate who has been placed on the State of Florida Convicted Vendor List, following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity, in excess of Thirty-Five Thousand Dollars (\$35,000.00), for a period of thirty-six (36) months from the date of being placed on the Convicted Vendor List.

10.18 Survival.

Any obligations and duties that by their nature extend beyond the expiration or termination of this Agreement shall survive the expiration or termination of this Agreement and remain in effect. Without limiting the foregoing, all obligations for the payment of fees or other sums accruing up to the expiration or termination of this Agreement and all provisions relating to the DIA's right to conduct an audit shall survive the expiration or termination of this Agreement.

10.19 Incorporation by Reference.

All exhibits and other attachments to this Agreement that are referenced in this Agreement are by this reference made a part hereof and are incorporated herein.

10.20 Order of Precedence.

In the event of any conflict between or among the provisions of this Agreement and those of any exhibit attached hereto or of any amendment, the priority, in decreasing order of precedence shall be: 1) any fully executed amendment; 2) provisions in this Agreement; and 3) exhibits to this Agreement.

10.21 Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument. Delivery of a counterpart by electronic means shall be valid for all purposes.

10.22 Independent Contractor.

In the performance of this Agreement, the Developer will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer or association of

the DIA. The Developer and its employees or agents shall be solely responsible for the means, method, technique, sequences and procedures utilized by the Developer in the performance of this Agreement.

10.23 Retention of Records/Audit.

The Developer agrees:

- (a) To establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of all funds provided by the DIA under this Agreement;
- (b) To retain all records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six (6) years after completion of the date of final payment by the DIA under this Agreement, including auditable records pertaining to jobs filled by third-party employers. If an audit has been initiated and audit findings have not been resolved at the end of such six (6) year period, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this Agreement, at no additional cost to the DIA. Any audit of the Developer pursuant to the terms of this Section 10.23 shall not be performed by an auditing firm that is paid on a contingency basis;
- (c) Upon demand, at no additional cost to the DIA, to facilitate the duplication and transfer of any records or documents pertinent to this Agreement during the required retention period;
- (d) To assure that these records pertinent to this Agreement including any of the Developer's contracts and related records and documents, regardless of the form in which kept shall be subject at all reasonable times to inspection, review, copying, or audit by personnel duly authorized by the DIA, including but not limited to the City Council auditors;
- (e) To ensure that all related party transactions are disclosed to the DIA;
- (f) To include the aforementioned audit, inspections, investigations and record keeping requirements in all subcontracts and assignments of this Agreement;
- (g) To permit persons duly authorized by the DIA, including but not limited to the City Council auditors, to inspect and copy any records, papers, documents, facilities, goods and services of the Developer which are relevant to this Agreement, and to interview any employees and subcontractor employees of the Developer to assure the DIA of the satisfactory performance of the terms and conditions of this Agreement. Following such review, the DIA will deliver to the Developer a written report of its findings and request for development by the Developer of a corrective action plan where appropriate. The Developer hereby agrees to timely correct all deficiencies identified in the corrective action plan;

- (h) If the result of any audit by the City or DIA establishes that the amount of its Total Development Cost has been overstated by five percent (5%) or more, the entire expense of the audit shall be borne by the Developer;
- (i) Additional monies due as a result of any audit or annual reconciliation shall be paid within thirty (30) days of date of the DIA's invoice; and
- (j) Should any audit reveal that the Developer has overstated the amount of its Total Development Cost, and the Developer does not make restitution within thirty (30) days from the date of receipt of written notice from the DIA, then, in addition to any other remedies available to the DIA, the DIA may terminate this Agreement, solely at its option, by written notice to the Developer.

10.24 Non-merger.

None of the terms, covenants, agreements or conditions set forth in this Agreement shall be deemed to be merged with any deed conveying title to the Project Parcel.

10.25 Exemption of DIA.

Neither this Agreement nor the obligations imposed upon the DIA hereunder shall be or constitute an indebtedness of the DIA within the meaning of any constitutional, statutory or charter provisions requiring the DIA to levy ad valorem taxes nor a lien upon any properties of the DIA. Payment or disbursement by the DIA of any loan or grant amount hereunder is subject to the availability of lawfully appropriated funds. If funds are not available pursuant to a lawful appropriation thereof by the City Council and/or the DIA Board as applicable, this Agreement shall be void and the DIA shall have no further obligations hereunder.

10.26 Parties to Agreement; Successors and Assigns.

This is an agreement solely between the DIA and the Developer. The execution and delivery hereof shall not be deemed to confer any rights or privileges on any person not a party hereto.
