Greetings:

This correspondence is in reference to project 2024-0061. The North CPAC objects to this conventional rezoning because it does not allow community input. The North CPAC recommends a PUD to allow the surrounding community an opportunity to voice their input and or concerns.

This conventional rezoning allows for 40' lots, which is not congruent with the neighboring community, with lots greater than 60 feet. The North CPAC recommends a minimum of RLD 60. Furthermore, the North CPAC recommends that any remaining footage unsuitable for homes be developed into a recreation area for the community.

Respectfully submitted,

Jamie Lacy
