

CURRICULUM VITAE

Lori A. Bilello, PhD, MBA, MHS

Business Address: University of Florida College of Medicine Jacksonville
Tower 2, Suite 6015
580 W. 8th Street
Jacksonville, FL 32209
Phone: 904-244-9202
Email: Lori.Bilello@jax.ufl.edu

EDUCATION

University of Florida

PhD in Health Services Research, 2012

Master of Business Administration, 1987

Master of Health Science in Health and Hospital Administration, 1987

University of South Florida

Graduate, Public Health Leadership Institute, 1999

PROFESSIONAL EXPERIENCE

Current Position

Co-Director, Center for Health Equity and Engagement Research

2021- present

Associate Director, Urban Health Alliance of Jacksonville

2019 - present

University of Florida College of Medicine - Jacksonville

Previous Experience

Associate Director, Center for Health Equity and Quality Research

2012-2019

University of Florida College of Medicine Jacksonville

Independent Consultant, Health Planning, Evaluation and Grant Development

2008-2012

Executive Director/CEO, Health Planning Council of Northeast Florida, Jacksonville FL

1996-2008

Director of Primary Care, University Medical Center/UF Health Science Center-Jacksonville

1994-1996

FL

Director of Planning, University Medical Center, Jacksonville FL

1988-1994

Planning Coordinator, University Medical Center, Jacksonville FL

1987-1988

ACADEMIC APPOINTMENTS

Research Associate Professor

2022-present

Department of Surgery

Research Associate Professor

2020-2022

Research Assistant Professor

2012-2020

Department of Medicine, General Internal Medicine Division

University of Florida College of Medicine Jacksonville

Adjunct Professor

2014-2022

HSC 6931 Introduction to Public Health Management and Policy

HSC 6735 Health Science Research

Department of Public Health, University of North Florida

Instructor

2011-2012

HSA6114 Introduction to the U.S. Health System

Department of Health Services Research, Management and Policy, University of Florida

Research Assistant

2009-2012

Medicaid Reform Evaluation

Department of Health Services Research, Management and Policy, University of Florida

2008-2012

Teaching Assistant

PHC4101 Public Health Concepts, HSA6196 Health Services Operations Management and HSA6198 Information Management in Healthcare Administration
College of Public Health and Health Professions, University of Florida

REVIEW ACTIVITIES

Journal Referee, Journal of Primary Care and Community Health (2019-2024)
Journal Referee, American Journal of Public Health (2022-2023)
Journal Referee, Journal of Healthcare Management (2022)
Journal Referee, Family Medicine (2021)
Journal Referee, Archives of Community Medicine and Public Health (2020)
Journal Referee, Health Services Research (2019-2020)
Journal Referee, Health Promotion Practice (2019)
Journal Referee, Preventing Chronic Disease (2019)
Journal Referee, Journal of Interprofessional Education & Practice (2019)
Journal Referee, Journal of Public Health Management and Practice (2018)
Journal Referee, Diabetes Research and Clinical Practice (2018)
Journal Referee, American Journal of Preventive Medicine and Public Health (2018)
Journal Referee, Journal of Public Health (2016-2022)
Journal Referee, Journal of Rural Health (2011-2015)
Grant Reviewer, Blue Foundation of Florida (2012-2013)
Grant Reviewer, Ryan White Part A, City of Jacksonville (2006, 2012)
Editorial Board Member, "Healthcare Executive" (1986-1987)

PROFESSIONAL AFFILIATIONS

Fellow, American College of Healthcare Executives (FACHE)
Member, AcademyHealth
Member, American Public Health Association

AWARDS/RECOGNITION

Women's Center of Jacksonville, Unsung Shero Award, 2015
UF College of Public Health and Health Professions Judson A. Clements Jr. Memorial Scholarship Awardee -2009
American College of Healthcare Executives Regents Award – Senior Healthcare Leader 2007

COUNCILS, COMMITTEES AND APPOINTMENTS

Board Member, Health Planning Council of Northeast Florida (2023-present)
Member, UF Health Sciences Center Determinants of Health AI Search Committee (2021-2022)
Member, UF Health Jacksonville Strategic Planning Community – Community Engagement Section (2019-present)
Member, AcademyHealth PHSR Interest Group Advisory Committee (2017- present)
Member, Wildlight Steering Committee (2017-2020)
Member, Community Engagement Committee, UF Health Science Center (2016- present)
Jacksonville Co-Chair, Multi-disciplinary Academic-Community Obesity Disparities Research Team (MACOD-R), University of Florida (2016-2022)
Member, Florida Health Equity Research Institute (2013-2020)
Member, Jacksonville Regional Health Collaborative (2014-2017)
Chair, Search Committee for PhD Biostatistician position (2016)
Member, Clinical Analytics Group, UF Health Jacksonville (2014-2016)
Board Vice President, Jacksonville Women's Network (2014-2015)
Member, UF Healthcare Administration Alumni Board (2012-2015)
Chair, Duval County Task Force on the Uninsured (2005-2008)
Chair, Duval County Immunization Task Force (2004-2008)
American College of Healthcare Executives (ACHE), Regent's Advisory Board (2003-08)
Board Member, Healthy Start Coalition (1998-2008)
Child Guidance Center Board President (2006-2007)
ACHE North Florida Chapter President (2005-06)

Florida Agency for Healthcare Administration (AHCA), Comprehensive Health Information System Advisory Council (1999-2001)

AHCA Florida Health Insurance Study Advisory Council (1999-2000)

Co-Chair, Greater Jacksonville HIV/AIDS Consortium (1999-2000)

RESEARCH AND RELATED SUPPORT

Ongoing Support

NIH

E. Stewart (PI)

6/19/24-4/30/29

COllaboration for EQUity in Uterine Leiomyomas (CoEQUAL). The overall goal is to identify affected women earlier, understand and meet their needs, delineate internal and external barriers to care, optimize communication between women and a variety of health care providers, and use innovative tools to eliminate barriers to individualized care.

Role: Co-investigator

SAMHSA

V. Waytowich (PI)

9/30/2023-9/29/2027

CREATE (Co-designing Rich Environments for All to Thrive Everyday), addresses the mental health needs of three priority populations of children identified by SAMHSA— children and youth with special health care needs, youth transitioning from pediatric to adult care, and LGBTQ+ children and youth.

Role: Lead evaluator

NIH-NIAID

M. Prosperi (PI)

4/25/2023-3/31/2027

Artificial Intelligence and Counterfactually Actionable Responses to End HIV. Data-driven epidemiology to evaluate HIV care in a timely manner and stratified by sub-populations, such as by gender, transmission risk, race, age, or geographic region

Role: Co-investigator

SAMHSA

V. Waytowich (PI)

12/31/2022-12/30/2026

Cultivating Action, Resilience and Empowerment (CARE): Expanding the Resilient Jacksonville System of Care. New site of the SAMHSA Building Resiliency in Communities After Stress And Trauma (ReCAST) initiative that focuses on the impact of violence of youth in marginalized communities.

Role: Lead evaluator

Florida Blue Foundation

A. Knight (PI)

10/01/2022-09/30/2026

Center for Health Equity and Social Justice (CHSJ). This center is designed to systematically examine policies and practices within governing bodies to identify strategies to eliminate social injustices and create health equity. Through stakeholder engagement with community members and elected officials, CHSJ will seek to create health equity and increase social justice by changing policies and accepted practices.

Role: Lead evaluator

SAMHSA

V. Waytowich (PI)

9/30/2021-9/29/2026

Building a Resilient Jacksonville System of Care. New site of the SAMHSA Building Resiliency in Communities After Stress And Trauma (ReCAST) initiative that focuses on the impact of violence of youth in marginalized communities.

Role: Lead evaluator

AHRQ

C. Harle (PI)

8/11/21-8/31/24

Scaling Interoperable Clinical Decision Support for Patient-Centered Chronic Pain Care. to study the adaptation and implementation of an existing interoperable CDS tool for pain treatment shared decision making, with tailored implementation support, in new clinical settings.

Role: Co-investigator

CDC

L. Cottler (PI)

7/31/21-12/30/24

PANDEMIC. COVID-19 outreach, education and vaccination project for 6 sites: Florida, Kentucky, Southern Missouri, Sacramento CA, Minnesota and the Bronx.

Role: Lead Evaluator

Completed Support

SAMHSA (Prime: City of Jacksonville) J. Goldhagen (PI) 9/30/19 – 9/29/23
Jacksonville System of Collaborative Care. The purpose of this grant is to build upon the previous expansion grant to develop collaborative care models that include primary care and behavioral health.
Role: Evaluation PI

HRSA V. Waytowich (PI) 7/31/2021-4/30/2023
Reaching Equity in Vaccine Access and Uptake (Project *Reach*). To address disparities in access to COVID-19 testing and resources in communities of color that were the result of profound pre-existing and increasing health equities by training local workforce.
Role: Evaluator

NIH/NIA R24AG067951-01 T. Gaillard (PI) 8/1/2020-4/30/23
Florida Registry for Aging Studies. Major goal is to increase recruitment, engagement and retention of older African American, Latino/Hispanic, and Caribbean adults into clinical research.
Role: Co-investigator

Patient-Centered Outcomes Research Institute (pcori) L. Bilello (PI) 1/1/21-12/31/22
Urban Health Alliance Patient Centered Research Collaborative. Provide technical support to the Alliance to convene patients, stakeholder and community leaders to identify and develop initiatives to reduce health disparities and to create a sustainable organizational structure to implement these initiatives.
Role: Principal Investigator

Patient-Centered Outcomes Research Institute (pcori) C. Tucker (PI) 1/1/18-7/31/22
Culturally Sensitive, Primary Care Clinic-Based Interventions by Community Health Workers and Trained Physicians to Promote and Sustain Weight Loss among Black Women Patients with Obesity.
Role: Co-investigator and site project director

Humana Foundation C. Tucker (PI) 11/1/18-12/31/21
Health-Smart Holistic Health and Wellness Centers Program to promote social connection and food security among minority, underserved, and/or low-income Jacksonville seniors.
Role: Evaluator

SAMHSA (Prime: City of Jacksonville) J. Goldhagen (PI) 9/30/15 – 9/29/19
System of Care Expansion. The purpose of this grant is to facilitate a major redesign of children's mental health services utilizing a community based, parent driven, youth guided participatory approach to community level systems change and to improve the behavioral health and well-being of youth requiring crisis stabilization.
Role: Evaluation PI

City of Jacksonville, FL R. Pomm (PI) 11/16/17-11/15/18
Project Save Lives. A pilot program to address the opioid epidemic by imbedding peer recovery specialists in the Emergency Department.
Role: Evaluator

NIH- National Institute on Aging U01AG050499 M. Pahor (PI) 6/1/16-5/31/18
The ENRGISE Study. Purpose of this project is to test the ability of anti-inflammatory interventions for preventing major mobility disability by improving or preserving walking ability.
Role: Site PI

Centers for Disease Control and Prevention M. De Lucca (PI) 9/30/14 - 9/29/17
Partnerships to Improve Community Health Cooperative Agreement. County-wide initiative that implements evidenced- and practice-based strategies that address previously-identified community gaps and needs to reduce the prevalence of chronic disease and related risk factors.
Role: Lead Evaluator

Robert Wood Johnson Foundation W. Livingood (PI) 2/1/15- 4/31/17
Study of statewide public health agency quality improvement interventions to improve cost effectiveness of delivering sexually transmitted infections (STI) services.
Role: Project Director and Co-Investigator

Robert Wood Johnson Foundation (Prime: Research Triangle International (RTI))
D. Porterfield (PI) 2/1/15- 4/31/17
Measuring integration between primary care and public health to improve HIV early detection and control using network analysis.
Role: Co-Investigator

SAMHSA (Prime: City of Jacksonville) J. Goldhagen (PI) 9/30/12 – 9/29/16
Systems of Care Project. The purpose of this grant is to facilitate a major redesign of children's mental health services utilizing a community based, parent driven, youth guided participatory approach to community level systems change.
Role: Lead Evaluator

HRSA #D55HP23207-02-00 J. Goldhagen (PI) 7/01/2011-6/30/2016
Fellowship and Faculty Development in Community and Societal Pediatrics.
Role: Co-investigator

Robert Wood Johnson Foundation W. Livingood (PI) 8/1/13- 1/31/2015
Comparative Cost Study of STD services in Florida and Georgia. The goal of this grant identify the components and costs of effective public health practice.
Role: Project Director and Co-Investigator

Agency for Healthcare Administration K. Siler-Marsiglio (PI) 4/1/2010 – 1/31/2011
State of Florida Health Information Technology Environmental Scan Medicaid Environmental Scan. The purpose of this project is to develop and implement a statewide assessment to measure the extent of EHR adoption by Florida's Medicaid healthcare professionals and hospitals.
Role: Co-Investigator

HRSA S. Oliva (PI) 5/1/2008 – 4/30/2011
Rural Health Network Development Grant. The purpose of this project is to expand the scope and reach of the Rural Health Partnership of North Central Florida. My role included program development and outreach to rural health practices and health departments in the region.
Role: Consultant

SAMHSA B. Campbell (PI) 10/1/2005 – 9/30/2006
HIV/SA/HEP Strategic Planning Framework. The purpose of the project is to use a community participatory approach to assess the need for HIV/SA/HEP prevention in the African American community, assess and build capacity to meet these needs, and develop and implement a community-based prevention plan.
Role: Evaluator
