this form for Council intro		inistration is resp	ovide; Who, What, When, Where, How and the consible for all other legislation.	Impact.) Council Research will complete		
	requests City Council appli outhbank and in the Soutsic		g commitments associated with the develo	pment of a 25-story high rise, mixed		
The development project proposed will be included in the Related Group's exclusive Icon, high-end multifamily portfolio. Features of the new design include a 25-story main tower with eight stories of residential units along Museum Circle on the south side of the garage, not less than 390 luxury units with balconies and terraces, minimum 4,000 square foot restaurant integral to the building, facing the St. John's River, nine-story parking garage wrapped on the first two floors by utility rooms and screened on floors above, 1,000 square foot Ship's Store to serve the marina and adjacent city owned boat ramp, shade sails, benches, bike racks, light fixtures along the Riverwalk and waterfront promenade. An additional component of this proposal provides for Related to contribute a parcel of approximately 4,200 square feet along the eastern edge of the site to the City which will expand the St. John's Park space along its western edge valued at \$319,200. The Developer is also committing to enhanced park maintenance for a 30 year period totaling \$3,980,400.						
Additional City funding	proposed is integral to this	project given	escalation of construction costs and cost	of capital in recent years.
