**Bill Type and Number:** Ordinance 2024-733

**Introducer/Sponsor(s):** Council President at the request of the Mayor

**Date of Introduction:** September 10, 2024

**Committee(s) of Reference:** NCSPHS, F

**Date of Analysis:** September 10, 2024

**Type of Action:** Amendment to the 2024-2028 Five-Year IT System Development Plan and designation of oversight agency

**Bill Summary:** This bill amends the 2024-2028 Five-Year IT System Development Plan to replace the Wi-Fi Expansion - City Parks project page with the Wi-Fi Expansion – County-wide Parks project page. The Department of Technology Solutions will oversee the project.

**Background Information:** The purpose of this legislation is to expand project scope for the implementation of providing Wi-Fi access in City parks. The previous scope focused on primarily serving the underserved areas and located within the 32206, 32208, 32209, 32210, 32211, 32244 and 32254 zip codes. With this legislation, the project will expand to City parks on a countywide basis.

**Policy Impact Area:** Department of Technology Solutions – Wi-Fi in Parks

**Fiscal Impact:** Unspecified cost for the additional parks
