Greetings:

This correspondence is in reference to project 2024-0790. The North CPAC, dedicated to preserving the character of our community, objects to this conventional rezoning for several reasons. The North CPAC recommends a PUD to allow no less than 60 feet lots. Also, we oppose it due to not knowing if single family homes or town homes will be erected. We believe that the quality of homes and property is being sacrificed in order to allow for more profit for the developer. These small parcels do not allow enough space for comfortable living or experiencing the American Dream of the size of lots the children can play in without being concerned about being in the neighbor's yard.

Respectfully submitted,

Jamie Lacy
