RE: Office of General Counsel Final Report
On the Amended Petition to Establish
Normandy II Community Development District

Mr. Babbar:

The Office of General Counsel (“Counsel”), pursuant to Section 92.07, *Ordinance Code*, has completed its review of the Amended Petition to Establish the Normandy II Community Development District (the “Petition”), submitted November 1, 2024. Counsel has determined that the Petition is sufficient and complete to permit the fair and informed consideration of the matter by the City Council.

This Final Report will be forwarded to the Planning and Development Department for their use in drafting a Department report and recommendation. All the statements contained in the Amended Petition not intended to be disposed of by the Department report and recommendation appear true and correct, and the Amended Petition is not contrary to any provision of applicable general or special law or the City Charter.

We note that you have requested consent for the Normandy II Community Development District to exercise special powers regarding recreational, educational and security facilities. This request will be included in the legislation regarding the Amended Petition.

We anticipate that the legislation to move this Amended Petition forward will be introduced at the City Council meeting on **December 10, 2024**. In your notice regarding the Amended Petition, the public hearing required before the full council should be noticed as **January 14, 2025**, which, pursuant to Sec. 92.11, *Ordinance Code*, is the full Council meeting held after the Council committee(s) report their findings to the Council. Barring any deferrals or postponements, it is at this third reading of Council that the vote will be taken on the bill, which

is expected to be on **January 28, 2025**. As, this is an establishment petition, Sec. 92.11, *Ordinance Code*, requires a four-week newspaper advertisement to give notice of the public hearing.

The committee of reference that will be introducing the bill is the Transportation, Energy & Utilities (“TEU”) Committee which will take up the bill on **January 22, 2025**, as part of its public meeting. You are not required to include this committee public meeting in your notice, but you are encouraged to attend the meeting to answer any questions of the committee members. After reviewing and approving your form of notice, I will insert the ordinance number and provide the draft to the Legislative Services Division for publication. Please provide that office with the proof of publication.

Respectfully,

SHANNON MACGILLIS
