30 See attached **Exhibit 1** \$256,921.95

31 (c) **Explanation of Appropriation** - The funding above is being

1 appropriated from the Tree Protection and Related
2 Expenses Trust Fund, Subfund - 15F (Ordinance Code) for a
3 tree planting project known as "District 8 Tree Planting
4 Project" to include site preparation, the purchase and
5 planting of trees, and including a one (1) year guarantee
6 and maintenance of the plant material, on City rights-of-
7 way in District 8, as shown and described in **Exhibit 2**,
8 through the City's Countywide Tree Planting Contract CP-
9 0100-19.

10 **Section 2. Purpose.** The purpose of the appropriation in
11 Section 1 is to provide funding for tree plantings, as shown in
12 **Exhibit 2**, in three locations as follows:

13 (1) Yancey Park, located at 3301 Soutel Drive. The City's
14 Urban Forestry team worked with the Parks, Recreation and Community
15 Services Department, the Public Works Department, and the coaching
16 staff of Yancey Park to determine tree locations that would: not
17 impede parking or utilities; provide shade; and leave active
18 recreation areas open.

19 (2) A median on Pritchard Road at Old Kings Road. The Urban
20 Forestry Team has proposed trees to conform to the surrounding and
21 existing landscape, and so as not to create a site obstruction.

22 (3) The right-of-way of Moncrief-Dinsmore Road, from Trout
23 River Boulevard to approximately Dunn Avenue. A mixture of
24 deciduous and evergreen trees are proposed for the purpose of
25 creating a buffer/screen along the long stretch of road.

26 All sites have been field verified, and selection of species
27 has been determined to best conform with site characteristics and
28 existing infrastructure.

29 **Section 3. Reversion of Funds.** At the completion of this
30 project, any remaining balances shall revert back to the Tree
31 Protection and Related Expenses Trust Fund, or other account of

1 origin, if any.

2 **Section 4. Oversight.** The Mayor is requested to appoint
3 the Public Works Department to oversee the project in Section 2
4 above and to ensure compliance with all other appropriate laws.

5 **Section 5. Contract Services.** The City is hereby
6 authorized to procure the services of the City's Countywide Tree
7 Planting Contract CP-0100-19 for an amount not to exceed
8 \$256,921.95, to complete the project, as shown in **Exhibit 2**. The
9 project is known as "District 8 Tree Planting Project".

10 **Section 6. Effective Date.** This ordinance shall
11 become effective upon signature by the Mayor or upon becoming
12 effective without the Mayor's signature.
