Dear Sir or Madam:

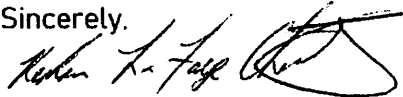

I have enclosed for your review a copy of my current resume, which briefly outlines my qualifications. I am very interested in exploring the opportunities your organization has to offer and I would appreciate your consideration.

My military and civilian professional experiences have granted me with skills of leadership, responsibility, and socialization. I am eager to expand my abilities with your company. I would like to continue my career growth by joining your organization where I feel my knowledge and experience could be of mutual value.

Realizing that a written autobiography cannot adequately communicate the benefits I can provide you, I would appreciate the opportunity to speak with you personally so that we may discuss my qualifications as they relate to current or future opportunities within your organization.

If you have any questions or would like to schedule an interview, I may be contacted at the above address and telephone number. Thank you for your time and consideration.

Sincerely,

Keshan LaFaye Chambliss
