5 **RESOLUTION 2019-819-A**

6 A RESOLUTION HONORING AND COMMENDING DAVAY  
7 KINSEY FOR HER BRAVERY AND RAPID RESPONSE IN  
8 AIDING TWO FIREFIGHTERS WHO WERE ATTACKED AND  
9 SEVERELY INJURED IN THE LINE OF DUTY;  
10 PROVIDING AN EFFECTIVE DATE  
11

12 **WHEREAS**, Davay Kinsey is a Jacksonville native who graduated  
13 from Wolfson High School in 1998. Upon graduation, Ms. Kinsey  
14 joined the United States Air Force where she served for eleven  
15 years as a military police officer. After leaving the Air Force,  
16 Ms. Kinsey started working as a security officer at UF Health  
17 Jacksonville, the position that she has held for over a decade; and

18 **WHEREAS**, on October 8, 2019, the Jacksonville Fire and Rescue  
19 Department was dispatched on what initially appeared as a routine  
20 medical transport call. Engineer Vincent Harper, a ten-year JFRD  
21 employee, and Captain Latorrence Norris, a thirteen-year veteran,  
22 responded in Rescue 2 to the call and began to transport a 38 year-  
23 old male patient to the nearest hospital, UF Health. While on route  
24 to the hospital, the patient became aggressive and attacked Capt.  
25 Norris. During the struggle, Eng. Harper pulled over the rescue  
26 unit and tried to subdue the attacker. During the altercation, both  
27 Capt. Norris and Eng. Harper received multiple stab wounds, but  
28 Capt. Norris though badly wounded was able to put out a call for  
29 help. The Fire Rescue Communications team dispatched another Fire  
30 and Rescue unit, contacted the Jacksonville Sheriff's Office, and

1 crucially contacted UF Health to notify them of the situation; and

2       **WHEREAS**, Ms. Kinsey, who was on duty during the incident,  
3 overheard the distress call on her security radio and immediately  
4 sprang into action. She realized that her current location was very  
5 close to where the injured Fire and Rescue officers were located.  
6 She immediately made her way to the victims on her security golf  
7 cart. Upon arrival at the scene, Ms. Kinsey remained calm and  
8 assessed the situation. Relying on her Air Force training and  
9 experience, she decided that Capt. Norris was in critical condition  
10 and needed immediate medical attention. Without hesitation, Ms.  
11 Kinsey carefully moved Capt. Norris onto her Security golf cart and  
12 drove him to the UF Health Trauma Center which was only a few  
13 blocks away; and

14       **WHEREAS**, Ms. Kinsey's quick thinking and decisive actions  
15 helped to save the life of Capt. Norris. Due to the severity of  
16 Capt. Norris' injuries, he may not have survived long enough for  
17 the dispatched emergency services to arrive. Ms. Kinsey's eleven  
18 years of Air Force training and experiences and ten years of  
19 experience working as a security officer at UF Health gave her the  
20 skills and mindset to act quickly, effectively, and helped to save  
21 the life of one of our local first responders; now therefore

22       **BE IT RESOLVED** by the Council of the City of Jacksonville:

23       **Section 1.** The City of Jacksonville hereby honors and  
24 commends Davay Kinsey for her bravery and quick response in aiding  
25 two firefighters who were attacked and injured in the line of duty,  
26 for her service in the United States Air Force, and for her  
27 continued service of helping to keep Jacksonville safe. The City is  
28 extremely grateful for her rapid and effective response to the  
29 emergency situation.

30       **Section 2.       Effective Date.** This Resolution shall become  
31 effective upon signature by the Mayor or upon becoming effective

1 without the Mayor's signature.
