Bill Summary: This bill authorizes the Kids Hope Alliance (KHA) to procure services for summer learning programming for 2020 with the same providers contracted to provide out-of-school essential services to youth during 2019; invokes the exception of Section 126.107(G) (Exemptions), Part 1 (General Regulations), Chapter 126 (Procurement Code), *Ordinance Code*, to allow the Mayor or his designee, and Corporation Secretary and/or the Chief Executive Officer of the Kids Hope Alliance to execute and deliver Summer Learning Programming Contracts; and waives the requirements of Section 77.111(A) (Provider Contracts), Chapter 77, (Kids Hope Alliance), to exempt children's services programming from the Competitive Procurement process.

Background Information: This year's summer learning program funding was approved in Ordinance 2019-511-E for \$3,955,500.00. Funding will be awarded, at the same level, to providers that were contracted for services in summer 2019. Funds will be allocated to other sites if a provider does not offer the same service at the same location from 2019. All Duval County Public Schools sites will be funded for six (6) weeks of summer programming. Fees at sites operated by the City of Jacksonville Parks, Recreation and Community Services Department will be increased from \$37.50 per week to \$47.50 per week. In the event there is a balance after the twenty-two (22) 2019 sites are fully-funded, any site awarded under the Jacksonville Children's Commission 2017 RFPs is eligible for funding.
