16 **Section 1. Approval and authorization.** There is hereby
17 approved and authorized the 2020 Substantial Amendment to the
18 Jacksonville/Duval County 2016-2020 Consolidated Plan, a copy of
19 which has been placed **On File** with the Office of Legislative
20 Services. Section 108 of the Housing and Community Development Act
21 of 1974 provides for a loan guarantee component of the Community
22 Development Block Grant (CDBG) Program. The Section 108 Loan
23 Guarantee Program provides communities with a source of financing
24 for economic development, housing rehabilitation, public
25 facilities, and other physical development projects, including
26 improvements to increase resilience against natural disasters. The
27 funds can be used by a designated public entity to undertake
28 eligible projects or, alternatively, loaned to a third party
29 developer to undertake the projects. This flexibility makes it one
30 of the most potent and important public investment tools that HUD
31 offers to local governments.
