6 (c) Explanation of Appropriation

7 The funding above is from the portion of the Tree
8 Protection and Related Expenses Trust Fund generated from
9 tree mitigation requirements in Part 12 of the Zoning
10 Code (15F) for a Level 3 Tree Planting project adjacent
11 to Sulzbacher Village Apartments.

12 **Section 2. Purpose.** The purpose of the appropriation in

13 Section 1 is to provide funding for a Level 3 Tree Planting
14 submitted by the Public Trust Environmental Legal Institute for the
15 planting of trees adjacent to Sulzbacher Village Apartments. The
16 tree planting will serve an iconic location in a neighborhood that
17 will benefit from additional tree canopy and will result in the
18 planting of new trees, including palms and large shade trees, in
19 rights-of-way. In areas with accommodating room, the shade trees
20 will help to replenish the urban tree canopy. Trees were selected
21 not only because of location and the needs of healthy tree growth,
22 but also because of the history of past plantings along this road.
23 All trees will be planted along City-maintained roads and, as of
24 the initial inspection, will not lead to any problems with existing
25 utilities.

26 **Section 3. Approval and authorization.** There is hereby

27 approved, and the Mayor, or his designee, and the Corporation
28 Secretary are hereby authorized to execute and deliver on behalf of
29 the City, the Tree Planting Program (Level 3) Grant Agreement
