9 (b) Appropriated to:

10 See Revised B.T. 20-050 \$75,000.00

11 (c) Explanation of Appropriation

12 The funding above comprises grant funds from the
13 Florida Department of Environmental Protection (FDEP) for
14 its participation in a study to establish the
15 vulnerability of infrastructure and resources that play a
16 role in the City's operations and allow for proper
17 planning.

18 **Section 2. Purpose.** The purpose of this legislation is
19 to appropriate grant funds from FDEP for its participation in a
20 study to identify critical City infrastructure and natural resource
21 communities which may be susceptible to increased levels of
22 precipitation and increasing changes in sea level or tidal surge
23 and to provide resiliency information on the more severe storms,
24 larger tidal events, and resulting impacts.

25 **Section 3. CIP Amendment.** Ordinance 2019-505-E, being the
26 2020-2024 Five-Year Capital Improvement Program for the City and
27 certain of its independent agencies, is hereby amended to use grant
28 funds for the project entitled "Florida Resilient Coastline Program
29 FRCP." The project is more fully described in the Project
30 Information Sheet, attached hereto as **Revised Exhibit 2**, labeled as
31 "Revised Exhibit 2, Revised CIP, April 20, 2020 - NCSPHS" and

1 incorporated herein by this reference. The Council finds that the
2 deferral of this amendment of the CIP until the next annual budget
3 and CIP review will be detrimental to the best interests of the
4 community because such deferral could result in the City's losing
5 valuable grant dollars. Pursuant to Section 122.605(c), *Ordinance*
6 *Code*, enactment of this ordinance requires the affirmative vote of
7 two-thirds of the Council members present at the meeting because of
8 the CIP amendment set forth in this section. This ordinance shall
9 constitute an amendment to Ordinance 2019-505-E. In all other
10 respects, the Five-Year Capital Improvement Program approved by
11 Ordinance 2019-505-E shall continue in full force and effect.
