Bill Type and Number: Ordinance 2020-369

Sponsor: Council President at the request of the Mayor

Date of Introduction: June 23, 2020

Committee(s) of Reference: NCSPHS, F, R

Date of Analysis: June 24, 2020

Type of Action: Essential Services Funding

Bill Summary: This bill authorizes the Kids Hope Alliance to provide direct funding in the amount of \$631,018 to the Jacksonville Alliance for KIPP School to allow for enhanced services to be provided to At-Hope Children & youth in Jacksonville.

Background Information: The Jacksonville Alliance for KIPP Schools has been funded at the same level for the past three years within the Out-of-School Time (OST) Essential Service Category. Under the new RFP issued in March 2020, their program model was no longer eligible because the extra services that are offered as part of extended hours to the school day are for all students, rather than during after-school hours to a subset of students. Nevertheless, KHA has seen promise in this model and is able to continue funding it through direct funding to ensure these children continue to receive the enhanced services.

Policy Impact Area: Out-of-School Time services

Fiscal Impact: \$631,018
