In 2019 AGAPE once again, independently won the three (3) year award from HRSA to provide primary care services. The amount of this request is based on the required local match for AGAPE’s portion of the \$75M Low Income Pool (LIP) funding provided to FQHCs through the Florida Agency for Health Care Administration and the continued need to provide Charity Care. This request also includes the added benefit of a match for additional LIP funds that may become available because some municipalities will not be able to meet their required contribution.
