Thank you for your application to the Financial Navigators program. We are delighted to award the Kids Hope Alliance with a grant of \$80,000 to support the creation of your local government's program. The grant term will go from August 1, 2020 to July 31, 2021 and the grant funds are to be used to support the creation of your local government's program.

The payout schedule, which is explained in more detail in the contract, will be an initial payment of 90% of the grant amount upon full execution of the contract and receipt of detailed line-item projected accounting, with the final 10% upon receipt of final report and documentation of all project spending in detailed line-item accounting.

Your CFE Fund team lead will reach out very soon to set up an initial one-hour video call for next week. We look forward to further discussing your plans, talking through contracting, and walking you through the timeline and building blocks for launching

Financial Navigators.

In the meantime, we would like to request that the Local Government Lead and Program Lead hold the following times on their calendars for training:

- Monday, July 27th, 2-5pm Eastern
- Monday, August 10th, 2-5pm Eastern
- Monday, August 24th, 2-5pm Eastern
- Monday, September 14th, 3-4pm Eastern

We very much look forward to working with you to launch the Financial Navigators program.

Sincerely,
Amelia Erwit
Managing Director
