2 **WHEREAS**, taking into consideration the above recommendations and
3 all other evidence entered into the record and testimony taken at the
4 public hearings, the Council finds that: (1) there are practical or

7 to reduce the cost of developing the site or to circumvent the
8 requirements of Chapter 654 (Code of Subdivision Regulations); (3)
9 the proposed waiver will not substantially diminish property values
10 in, nor alter the essential character of, the area surrounding the
11 site and will not substantially interfere with or injure the rights
12 of others whose property would be affected by the waiver; (4) there
13 is a valid and effective easement for adequate vehicular access
14 connected to a public street which is maintained by the City or an
15 approved private street; and (5) the proposed waiver will not be
16 detrimental to the public health, safety or welfare, result in
17 additional expense, the creation of nuisances or conflict with any
18 other applicable law; now, therefore
