16 (j) Honorary Street Name Designations. An honorary street name
17 policy is hereby developed and stated that allows streets to have
18 an honorary designation as follows:

19 (1) The designation shall be established by City Council
20 ordinance.

21 (2) Streets carrying an honorary designation are not
22 officially renamed but carry a second honorary name.

23 (3) In lieu of renaming a street, the Council may consider
24 any application submitted pursuant to this Section as an
25 application for designation of an honorary street name,
26 authorizing an honorary street designation and the
27 appropriate memorial marker to be placed along a street or
28 segment thereof, in order to honor a deceased person.

29 (4) The Council may amend any ordinance introduced pursuant
30 to this Section as necessary to approve a memorial marker to
31 honor a deceased person.

1 (5) Such honorary designation shall not require an
2 administrative review by the 911 Emergency Addressing
3 Advisory Committee or the Historic Preservation Commission
4 as the proposed honorary name does not change the original
5 name of the street, but shall otherwise comply with all
6 other parts of this Chapter and the Policy, including the
7 notice and public hearing requirements, except that, a short
8 segment of a street may carry an honorary designation.

9 (6) Honorary street designation signs shall not be affixed
10 or attached to the official street name sign or pole but
11 shall be placed in prominent locations along the right-of-
12 way of the street or segment thereof carrying such honorary
13 designation.

14 (7) The effect of such designations shall only be construed
15 to require the Traffic Engineering Division to place two
16 honorary street designation signs at the proposed location
17 subject to approval by the Traffic Engineering Division or
18 such subsequent agency as may perform such duties in the
19 future.

20 (8) At least 75 percent of the property owners whose address
21 is assigned to the designated street must agree to the
22 honorary designation of the street.

23 (9) Honorary Street Name Designations for Fallen Law
24 Enforcement Officers and Fire & Rescue Officers.

25 (i) Fallen Law Enforcement Officer or Fire and Rescue
26 personnel shall mean a Jacksonville Sheriff's Officer,
27 Jacksonville Aviation Authority Police Officer, Duval County
28 School Resource Officer, Jacksonville Beach Police Officer,
29 Neptune Beach Police Officer, Atlantic Beach Police Officer
30 or Jacksonville Fire and Rescue Officer who died while in
31 the line of duty.
