### **SCOPE OF SERVICES Builders of the Faith – Cure Violence**

#### **Services**

Builders of the Faith will provide outreach, engagement activities and wrap around services in support of the City of Jacksonville's Cure Violence westside location and The Potter's House Christian Fellowship, Inc. a/k/a The Potter's House International Ministries. These services will include:

- Organizing, promoting, and hosting community events, training workshops and community engagement activities
- Coordinating the distribution of resources and referral services to partner organizations
- Collaborating and coordinating with community partners, including businesses, faith-based organizations and other nonprofits that provide wrap around services
- Coordinating and tracking volunteers
