

FLUE Site Specific Policy with L-5533-21A / Ordinance 2021-301

FUTURE LAND USE ELEMENT

Policy 4.3.21

In accordance with Ordinance 2021-301, which designates a 1,097 acre MU land use category on the Future Land Map, the owner or authorized agent shall develop a conceptual long-term master plan addressing the entire 1,097 acre site. The conceptual master plan shall be subject to review and approval by the City Council prior to submittal of land development reviews and approvals. Development within the site shall be consistent with the conceptual master plan, and development shall not be permitted until such time as a conceptual master plan is approved by the City Council.

The permitted uses include a variety of single and multifamily residential, and neighborhood and regional commercial centers including lodging. More specifically, the following land use categories are permitted: Low Density Residential (LDR), Community/General Commercial (CGC), and Conservation (CSV), all consistent with the Multi-Use Land Use Category.

The following specific densities and intensities are permitted consistent with the Multi-Use Land Use Category:

<u>Residential (DU)</u>	<u>2,300</u>
<u>CGC Allowed Uses (GSF)</u>	<u>125,000</u>
<u>Hotel/Lodging (RMS)</u>	<u>220</u>

The conceptual master plan may include a land use conversion process that allows for the modification of the above densities and intensities, provided a conversion/exchange table is submitted to and approved by the Planning and Development Department.
