Good morning,

We have received the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (as outlined in the Consolidated Appropriations Act, 2021) funding from DOEA. This program will be known as Coronavirus Consolidated Appropriations Act (CCAA) program. This funding is only for nutrition services, telephone reassurance and shopping assistance. It will be a separate contract from OAA and CARES Act.

Please use the allocations below to submit a CCAA budget summary using your 2021 OAA approved unit rates:

Provider	Allocation
City of Jacksonville Senior Services	\$ 223,096.20

Retro-billing will be allowable to February 1, 2021 and the life cycle of this grant will be February 1, 2021 to September 30, 2022.

I appreciate your expediting this request so that the contracts can be executed as soon as possible. Please submit your budget summary to your contract manager no later than Tuesday, February 16th. I apologize for the quick turnaround but our hard deadline with DOEA is only a couple of days later and we will need to input all of the information in to CIRTS.

If you have any questions regarding this email please reach out to me or your contract manager.

Thank you,

**Nancy Tufts**
