RE: Planning Commission Advisory Report
Ordinance No.: 2021-230 **Application for: Vista Bay**

Dear Honorable Council President Hazouri, Honorable Council Member and LUZ Chairperson Boylan and Honorable Members of the City Council:

Pursuant to the provisions of Section 656.129 *Advisory recommendation on amendment to Zoning Code or rezoning of land* of the Zoning Code, the Planning Commission voted to recommend **deferral pending submittal of an application, a revised application, re-advertising or additional information.**

Planning and Development Department Recommendation: **Approve with Conditions**

Planning Commission Commentary: There were two speakers in opposition whose concerns were potential drainage impacts to the area. Some Commissioners had concerns about the smaller lot size and drainage impacts. Other Commissioners felt the PUD has 50 acres of open space out of 89 acres and their recommendation does not allow building permits and drainage will be evaluated by Development Services Division.
