Dun & Bradstreet Corporation (D&B) is an international financial services and data management company, that was established in 1841. The company is currently headquartered in Short Hills, New Jersey, and has clients in most major industry sectors, including government, retail, technology, telecommunications, financial and manufacturing. Dun & Bradstreet is most widely known for providing due diligence and data services from their extensive database of over 100 million companies around the globe. D&B, which does not currently have a presence in Jacksonville, is considering relocating its corporate headquarters to an existing building in Jacksonville and creating 500 new jobs at an average wage of \$77,000. The company is also considering other locations in the U.S. for the proposed headquarters relocation. This is a highly sought-after and an extremely competitive situation. The company has stated that the City of Jacksonville and State of Florida financial incentives are a material factor in their decision to relocate their headquarters operation to Jacksonville, Florida.
