Bill Type and Number: 2021-347

Introducer/Sponsor(s): Council Member White

Date of Introduction: June 8, 2021

Committee(s) of Reference: NCSPHS, F

Date of Analysis: June 7, 2021

Type of Action: Contract amendment

Bill Summary: This bill authorizes the amendment to the contract with Greenscape of Jacksonville, Inc. to revise the draw request criteria from a reimbursement basis to a “work performed and invoiced” basis to provide a tree planting project at the Jacksonville Equestrian Center.

Background Information: Greenscape of Jacksonville, Inc. is a not-for-profit organization with the mission to enhance the city’s beauty, health, and economic vitality through planting trees. In the past year, Greenscape has experienced an income decrease due to the COVID-19 pandemic and their existing service contract calls for the City to reimburse payments upon presentation of cancelled checks from subcontractors. The amended contract will permit Greenscape to perform the work, ask for a payment from the City and then pay their subcontractors.

Policy Impact Area: Jacksonville Equestrian Center tree planting

Fiscal Impact: No direct cost to the City
