- 25 (b) Appropriated to:
- 26 See B.T. 21-134 \$499,821.44

27 (c) Explanation of Appropriation:
28 The funding above represents an appropriation of
29 \$499,821.44 in Public Works Department funding from the
30 Florida Department of Environmental Protection. These
31 funds will be used to assist the Public Works Department

1 with construction of the "Community Living Room" project
2 along McCoy's Creek channel to provide an outdoor community
3 space and mitigate current drainage issues. The grant
4 period will conclude June 30, 2022.

5 **Section 2. Purpose.** The purpose of the appropriation in
6 Section 1 is to support the Public Works Department with construction
7 of the "Community Living Room" project along McCoy's Creek channel
8 to provide an outdoor community space and mitigate current drainage
9 issues. A copy of the Federally-Funded Florida Department of
10 Environmental Protection Grant Agreement (Agreement Number: R2235)
11 providing the terms and conditions relative to receipt and expenditure
12 of the grant funds has been placed **On File** with the Office of
13 Legislative Services.

14 **Section 3. Capital Improvement Plan Amendment.** Ordinance
15 2021-505-E, adopting the 2022-2026 Five-Year Capital Improvement Plan
16 (the "CIP") for the City and certain of its independent agencies, is
17 hereby amended to provide funding for the Project, as more fully
18 described in the Project Information Sheet, attached hereto as **Exhibit**
19 **2** and incorporated herein by this reference. The City Council finds
20 that the deferral of this amendment of the CIP until the next annual
21 budget and CIP review will be detrimental to the best interests of
22 the community because such deferral will result in unnecessary delay
23 of the Project and loss of grant funding for the Project. Pursuant
24 to Section 122.605(c), *Ordinance Code*, enactment of this Ordinance
25 requires the affirmative vote of two-thirds of the City Council
26 members present at the meeting because of the CIP amendment set forth
27 in this section. This Ordinance shall constitute an amendment to
28 Ordinance 2021-505-E. In all other respects, the Five-Year Capital
29 Improvement Plan approved by Ordinance 2021-505-E shall remain
30 unchanged and continue in full force and effect.

31 **Section 4. Oversight.** The Public Works Department,

1 Engineering and Construction Management Division shall oversee
2 administration of the grant described herein.

3 **Section 5. Effective Date.** This Ordinance shall become
4 effective upon signature by the Mayor or upon becoming effective
5 without the Mayor's signature.
