- 26 (b) Appropriated to:
- 27 See B.T. 21-133 \$444,964.86

28 (c) Explanation of Appropriation:
29 The funding above represents an appropriation of
30 \$444,964.86 in Public Works Department funding from the
31 Federal Emergency Management Agency and funded through the

1 Hazard Mitigation Grant Program. These funds will be used
2 to assist the Public Works Department with improvement of
3 drainage along McCoy's Creek channel. The grant period
4 commences January 22, 2021 to April 30, 2022.

5 **Section 2. Purpose.** The purpose of the appropriation in
6 Section 1 is to support the Public Works Department with improvement
7 of the drainage of McCoy's Creek channel, in addition to road and
8 bridge flood protection. A copy of the Federally-Funded FEMA Hazard
9 Mitigation Grant Program (Agreement Number: H0595, Project Number:
10 4337-507-R) providing the terms and conditions relative to receipt
11 and expenditure of the grant funds has been placed **On File** with the
12 Office of Legislative Services.

13 **Section 3. Capital Improvement Plan Amendment.** Ordinance
14 2021-505-E, adopting the 2022-2026 Five-Year Capital Improvement Plan

16 hereby amended to provide funding for the Project, as more fully
17 described in the Project Information Sheet, attached hereto as **Exhibit**
18 **2** and incorporated herein by this reference. The City Council finds
19 that the deferral of this amendment of the CIP until the next annual
20 budget and CIP review will be detrimental to the best interests of
21 the community because such deferral will result in unnecessary delay
22 of the Project and loss of grant funding for the Project. Pursuant
23 to Section 122.605(c), *Ordinance Code*, enactment of this Ordinance
24 requires the affirmative vote of two-thirds of the City Council
25 members present at the meeting because of the CIP amendment set forth
26 in this section. This Ordinance shall constitute an amendment to
27 Ordinance 2021-505-E. In all other respects, the Five-Year Capital
28 Improvement Plan approved by Ordinance 2021-505-E shall remain
29 unchanged and continue in full force and effect.

31 Engineering and Construction Management Division shall oversee

1 administration of the grant described herein.

2 **Section 5. Effective Date.** This Ordinance shall become
