**CM Morgan asked Kirk Wendland to discuss the JSEB provision. The JSEB requirements are based on the amount of the City's contribution to a project. Mr. Wendland stated that when the legislation is passed, it will not require the property to be purchased, but if the property is purchased then there is a requirement to construct the soccer stadium. This is an option contract, so there is no JSEB requirement.**

**AMEND/APPROVE**

**Aye:** 5 - White, Gaffney, Priestly Jackson, Morgan and Newby

**Excused:** 2 - Carlucci and Diamond

**Informational and Discussion Points:**

- The assessed value of the parcels in the Option Agreement as amended total \$411,092; the option payment is \$5,000.
- The Option Agreement requires the City to obtain consent from the parties in the FL/GA Agreement and to amend that Agreement as a condition precedent to the City's obligation to sell the property. If the City is unable to do so, the Option Agreement terminates and neither party has any liability.
- If the parties in the FL/GA Agreement do consent to the parking amendments, there may be additional costs to the City related to FL/GA parking obligations; however the costs are unknown at this time.
- RP Sports Investments may assign its rights and/or obligations under the Agreement to an entity with common ownership and/or control with RPS or to a real estate investment trust or other financing sources without obtaining prior written consent of the City.
- The option agreement does not have a JSEB provision related to the future construction.
