Joey Greive, Chief Financial Officer, gave a brief overview of the actuary's report . This bill will allow people working for the City of Jacksonville to retire a few years earlier. Based on numbers from October 2019 there are about 800 people potentially eligible. Mr. Greive stressed that there are many factors which can change the impact this would have from new hires making less based on their salary category. Mr. Greive said they will talk with the unions about these plans. Philip Peterson said that the unfunded liability would increase by about \$60,000,000, and would go down for everyone that would not take the early retirement.

Public Hearing Pursuant to Chapt 166, F.S. & CR 3.601 – 9/22/20

CM Cumber explained that the bill will remove the ability to automatically increase fees without it going through the City Council. This will strike language that allows for the Mayor to automatically increase fees.

CM Pittman asked how long has this been going on and if there other fees we should be looking at? CM Cumber said this would apply to all the fees the city has. CM Bowman asked about trash fees. CM Cumber said this would allow for input from the City Council before there is an increase. CM Dennis had concerns that some fees don't cover services. CM Cumber said there are some fees that aren't there to cover the services and this isn't about voting against all fees, but to allow for the City Council to review the fees before increasing them. CM Diamond, Bowman, Pittman, Freeman and White asked to be added as co-sponsors.
