The bill also calls for action to be taken by Council, or appropriate committee, in the event the Planning Commission does not issue a report or recommendation in within 63 days from the date of application. CM Gaffney explained that a constituent's application was repeatedly deferred by the Planning Commission due to a lack of 5 votes/quorum requirements.

- Enters into agreement with Developer to split 50/50 (up to a maximum of \$2,462,034) the construction costs of a 0.58 mile 4-lane roadway extending from Branan Field Road Extension towards Cecil Commerce Center
- Splits cost for future transition area with Developer and Developer to pay City its portion (\$80,000) as part of this Agreement
- Amends CIP to transfer and increase funding within the project
- Provides Developer \$731,227 in mobility credits (limited to Copper Ridge PUD) for its participation in construction of roadway improvements, including the easements and land for stormwater ponds, and excavation of those ponds for the City's extension (0.36 mile) of Cecil Field Connector Road to Cecil Commerce Center

CM Gaffney was in attendance to speak about this bill, which relates to the sale of surplus property to the adjacent property owner. Rather than placing the parcel on the Affordable Housing Inventory List to be advertised for possible use by another affordable housing provider, this bill authorizes the direct sale to the adjacent property owner to enlarge their existing residential parcel. There was some discussion between CMs Dennis and Gaffney about the process for surplus properties and how to best manage it to benefit local property owners and the City.
