AMENDMENT:

1. A traffic study shall be provided with the site plan review. The developer's traffic engineer shall set up a methodology meeting prior to conducting the traffic study to determine the scope of the study. The Chief of the Traffic Engineering Division, the Chief of the Transportation Planning Division, and the Traffic Reviewer for Development Services Division shall be included in the methodology meeting.
2. Sewell Road appears to be blocked at Pecan Park Road and is not maintained by the City of Jacksonville. This development shall not connect to Sewell Road. A city standard cul-de-sac shall be included at the termination of the road connecting to Sewell Road as shown in the shown on the site plan in the written description provided to me for review. There shall be a physical obstruction to prevent access to Sewel Road from this development. The obstruction shall be outside of the proposed city right of way.
3. The entry road to Hyatt Road was not included in the site plan in the written description. This entry road shall meet the current standard cross section for Neighborhood Residential Street, Plate P-126 with a revision date of 02/21/20 or later (included as an attachment to this email). Future development accessing this road will be required to provide sidewalk on their frontage. The right of way shall be wide enough to accept the future sidewalk and a minimum of 5' wide utility strip.
